

# Novelties 2020

- ⊕ New in the range: BORT AktiVen® Medical compression stockings
- ⊕ New designs and modifications for numerous products
- ⊕ BORT Med: selected braces now available in modern grey

You can now also trust proven BORT quality for compression therapy

With a new knee support and product improvements

With a new product in the back category

With a new product in the torso category

**BORT. Benefit at your side.**

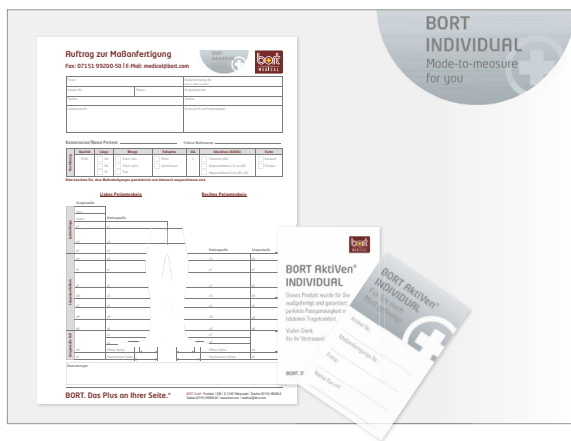

**BORT AktiVen® Medical compression stockings are available in the following qualities:**

### **BORT AktiVen® VITAL**

The comfortable and versatile compression stocking

- + VITAL benefit**  
Safe care for a wide range of indications
- + Comfort benefit**  
Soft haptics for top wearing comfort
- + Perfect fit**  
Contoured shape makes them easy to put on

### **BORT AktiVen® INDIVIDUAL VITAL**

The made-to measure compression stocking

- + INDIVIDUAL benefit**  
Each stocking is adapted to the individual leg dimensions
- + Comfort benefit**  
Individual form made-to-measure
- + Perfect fit**  
Contoured shape makes them easy to put on

Further qualities will be implemented successively. We expect that BORT AktiVen® 100 will be available during the first quarter of 2020.

### **BORT AktiVen® EXTRA**

The strong compression stocking

- + EXTRA benefit**  
Extra strong and safe compression effect
- + Comfort benefit**  
Soft haptics for top wearing comfort
- + Perfect fit**  
Contoured shape makes them easy to put on

We will expand our range for you also in 2020!  
This quality will probably be available from the middle of the year.

**BORT. Benefit at your side.**

# BORT AktiVen®

## Medical compression stockings

We now support you with the same professionalism for the provision of medical compression stockings as for orthopaedics. Enjoy a strong range benefit:

- ⊕ The medical compression stockings manufactured in Germany have the RAL quality mark from Gütezeichengemeinschaft Medizinische Kompressionsstrümpfe e.V.
- ⊕ BORT AktiVen® Medical compression stockings are applied for basic therapy\* in case of vein weakness. Manufactured using the circular knitting technique, they support the patient's vein function effectively.

A practical guide. Viavital Verlag, Cologne 2013, 1st edition, foreword by the editors.

### BORT AktiVen® TREND

The stylishly elegant compression stocking

- ⊕ **TREND benefit**  
Stylishly elegant with a safe compression effect
- ⊕ **Fashion benefit**  
The perfect appearance in glossy, fine BORT quality
- ⊕ **Perfect fit**  
Contoured shape for comfortable wear

### BORT AktiVen® 100

Medical compression stockings

- ⊕ For basic medical care

Due to our partnership with **WELEDA**, we are able to offer you particularly excellent branded skin care products for compression therapy for your customers with BORT WELEDA.
