BORT StabiloGen® Eco

PRODUCT-BENEFIT

- Classical knee support for compression of soft tissues with silicone pad for stabilisation and relief of the knee joint
- SOFTflex knitted fabric for more elasticity, stability and very comfortable to wear
- One lateral spiral stay each side
- Plus-size system resulting in very good fitting
- Compression class II

Colour: ■ denim 

THE ECO-BENEFIT

- Velvety soft surface structure
- Highly elastic bending zone, also protects the popliteal fossa when worn for longer periods
- Silicone adhesive border from xx-large size

INDICATIONS

Chronic, post-traumatic or post-operative irritations of knee joint soft tissues, recurrent articular effusion, e. g. gonarthrose, arthritis, ligament instability, meniscopathy

No. 114 520

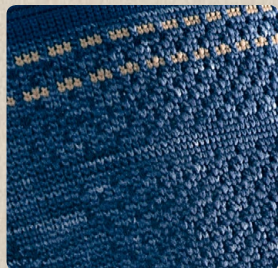

BORT. Benefit at your side.

Perfect fit, perfect look.

ATTRACTIV DENIM LOOK

An embossed metal rivet, a high-quality BORT label with leather haptics and fashionable denim seams provide the support with its stylish denim look.

Thread colour deviations are possible.

HIGH DIMENSIONAL STABILITY

Constant compression without slipping when making bending and stretching movements due to high resilience.

PARTICULARLY SOFT KNITTED FABRIC ZONES IN THE BENDING AREAS

Therapy-effective balance between compression and comfort.

MORE ELASTICITY

Fits like a second skin via the even degree of extensibility of the knitted fabric.

VERY COMFORTABLE TO WEAR

Velvety surface due to the use of fluffy thread.

Variety from BORT

Supports and braces for successful medical therapy

BORT: ALL-ROUND EXPERTISE ON JOINTS.

The **Med** series of products, which is subject to medical prescription, offers braces and supports to suit a wide range of indications that are diagnosed every day. From the head to the toe for adults and children. So that every joint is supported as treatment requires.

FOR BORT, THE PURSUIT OF EXCELLENCE IN QUALITY MEANS select*

BREEZE

select* – our top series of products, impresses with its clearly improved fit. Its special product specifications cover practicality, materials and design to offer real added value. The first choice for demanding people.

THE SPORTY SIDE OF BORT.

COOLMAX

The support in our **sports** series offer support and protection, especially while practicing sports. The highly technological COOLMAX® fibre eliminates humidity from the body and allows for a dry, pleasant fit; with an avant-garde design.

BORT GENERATION. FOR BETTER MOBILITY FOR THE AGED

With respect to their handling and product design, **BORT Generation** products were developed specifically for people with restricted gripping ability or movement impairments. They are easy to fit and take off and pleasant and comfortable to wear.
